

Goat Improves my Livelihood

Sindh Variety Goat

Gagdharam s/o Laxmanram resident of Sindhsava Chauhan gram panchayat Bhakharpura tehsil Gudamalani district Barmer. He was a poor fellow and was working as a Carpenter because of unavailability of agricultural resources. But in new era Carpentry is also now become fine tune and customers attracts towards finished products. He is having 10 members in family with three boys and 5 girls. In year 2013 he came in connection with BAIF officers in field and get known of WADI programme and was laughed at them when he listen that fruit plants are now planted here. But when he was motivated by BAIF people and ready to plant WADI at his farm plot he becomes happy that BAIF is taking a keen interest in uplifting his livelihood.

His wife use to graze Goat, project then supported him with 5 local Sindh variety and One Buck. He was highly enthusiastic and felt extremely happy.

Today he is having a herd size of 16 Goats and Buck, where he has sold 4 Bucks @ Rs. 2700/- each and earned Rs.10,800/-. Presently, all the Goats and Bucks are an asset of Rs. 80,000/- and all such has happened due to BAIF – CAIRN support.

I was entirely illiterate and unaware of farming practices here in desert.

Today the total Asset value is of Rs. 80,000/-

Earned first time in his life an amount of Rs. 10,800/- one time.
