

My courtyard scented with Roses

Pyarchand s/o Kalu Gameti resident of village Matoon cluster Debari district Udaipur is participating beneficiary of SAMADHAN since 2017-18. He has not having his own land, have 02 bulls and 06 goats. Earlier he was doing labour for Rs. 200/- per day, due an accident during job his one hand goes into machine which no longer working & was unable to operate machine. He borrowed a piece of 03 beegha land on lease from another village farmer and planted Wadi, Rose & Vegetable.

From the floriculture of Rose on half beegha land, he is getting 6 kg roses during season and 01 kg during off season. His wife goes to farm in early morning and pluck the roses and then after he goes 8kms with his cycle to a temple at Debari highway and earns Rs. 60/- per kg. On and average he is selling 03 kg roses and earning Rs.5400/- monthly.

Seeking the success, he now borrowed another half beegha piece of land and planted Marigold and simultaneously Wadi is also yielding daily earnings.
